February 9 & 10: Red Hat Day

We will be celebrating some early Valentine spirit this weekend. If you have a red hat or scarf join in the fun. We will also have a “red discovery trail” set up for groups to test out their keen wilderness observation skills.

Redy or Not...here we come!

Reminders and Updates:

- Level 3 & 4 will be continuing their Skate Ski sessions.. Please double check rentals to make sure you have been issued skate skis (no fish scales/longer poles, in between chin and nose in length).
- Family Day Weekend (February 16 & 17th) there is no program.
- The make-up session for the cold cancellation will be the Weekend of March 9 & 10. If you have not done so please let Ally Myers know if you cannot attend.
- Keep working on those snow goals. The Elementary Ski race counts.

Want to learn how to wax your skis?

The Track Attack program is offering a Waxing Clinic again this weekend, in both the morning and afternoon sessions. The cost is \$10 and you will learn the basic of waxing and get your skis waxed. Funds go towards the clubs race wax kit!
